Worldwide Trilingual Speaker.

Overcoming Adversity & Inclusive Leadership Expert

After surviving an Arctic Expedition in minus 43 degrees as part of an initiative to challenge how people think about diversity and inclusion, Leela Bassi founded her own organisation: Above & Beyond Resilience, speaking on the topics of overcoming adversity which encompass areas such as: \*Beyond Resilience, Turning Failures into Success, Growth Mindset and Conscious inclusion\*

Leela is driven to inspire business leaders and individuals to adopt the principle that “overcoming adversity” is a key focus for every company as it will benefit both their employees and business. Known for her determination, drive and focus, Leela displays how digging deeper takes us further regardless of our background, expertise or social style.

Leela Bassi is a distinguished “Beyond Resilience” thought leader, a Diversity & Inclusion Consultant and a Keynote Speaker who presents in English, French & Italian.
